Hi Ken – This e-mail is largely an FYI.

Deliberative Process / Ex. 5

[What a crazy week (RTP, Denver, SOT – good grief!)]

I just wanted you to know that I did what you asked last week, and that events seemed to have evolved a bit since then.

If there is something else you would like me to do, please let me know.

Otherwise, I plan to see what Norm pulls together and whether Vince has any additional input.

Thanks!
